

SAFETY DATA SHEET

Date Issued: April 13th, 2023

1. IDENTIFICATION

Commercial product name: Arxzyme Biogas
Recommended Application: Anaerobic Digestion and Biogas Enhancement
Product Manufacturer: Arxtera
Address: 70 Virginian Dr.
Christiansburg, VA 24073

2. HAZARDS IDENTIFICATION

Excessive ingestion may cause nausea or diarrhea.
May be an irritant to the skin and eyes.

3. COMPOSITION & INFORMATION OF INGREDIENTS

Chemical characterization of active component:
A liquid containing naturally occurring microorganisms, carriers, and filler including Enzymes.
Bacterial Concentration: 5 billion cfu/g, RTU
Synonyms: N/A

4. FIRST-AID MEASURES

Skin contact: Wash off with plenty of water.
Eye contact: Wash immediately with a copious quantity of water.
Ingestion: Rinse mouth and throat and drink water to dilute.
Inhalation: N/A
If symptoms persist seek medical advice.

5. FIREFIGHTING MEASURES

Suitable firefighting extinguishing media: Any
Non-suitable media: None
Special exposure hazards: None
Protection against fire and explosions: N/A

6. ACCIDENTAL RELEASE MEASURES

After spillage, dilute with water and wash to drain.
Do not use high-pressure water jet.
Wash contaminated clothing.

7. HANDLING AND STORAGE

Handling:	All materials should be handled under good housekeeping practices. Wash hands after use. Wear gloves if exposure is prolonged. Care should be taken to ensure the product is not introduced to drinking water or foodstuffs.
Storage:	Store the container in a dry and cool place.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Respiratory protection:	Not required
Hand protection:	Gloves recommended
Eye Protection:	Recommended when handling large quantities

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	Tan or brown powder
Odor:	Mild earthy odor
pH:	N/A
Solubility in water:	Dispersible
Boiling Point:	N/A
Melting Point:	N/A
Flash Point:	N/A
Flammability:	Nonflammable
Vapour Pressure (mm Hg):	N/A
Specific Gravity:	N/A

10. STABILITY AND REACTIVITY

Hazardous decomposition products:	None
Conditions to avoid:	None
Materials to avoid:	None
Stability:	The material is stable under normal conditions of use.

11. TOXICOLOGICAL INFORMATION

Toxicity:	No acute toxicity
Carcinogenicity:	N/A
Pathogenicity:	Component bacteria are non-pathogenic and generally regarded as safe.

12. ECOLOGICAL INFORMATION

This product is believed not to be dangerous to the environment with respect to mobility, persistency and degradability, bioaccumulative potential, aquatic toxicity, and other data relating to ecotoxicity.

13. DISPOSAL CONSIDERATIONS

No special disposal method is required, except that it be in accordance with current local authority regulations.

14. TRANSPORT INFORMATION

Non-hazardous {{Format}}.

15. REGULATORY INFORMATION

In Annex 1 of the EEC directive 67/548, preparation does not contain ingredients listed as dangerous substances.

16. OTHER INFORMATION

As of the issue date, the information contained in this Safety Data Sheet is believed to be true and correct. However, this information's accuracy and completeness and recommendations or suggestions are made without warranty or guarantee. Since the conditions of use are beyond the control of our company, it is the responsibility of the user to determine the conditions of the safe use of this product.
